

National Minimum Data Set Collections NMDS

As a requirement under our funding agreement we are obligated to provide information of the services we provide every three months. This is done by our service providing information through a National Database. The information we are required to provide relates to the programs we provide, the amount of support being provided (hours, staffing etc) and client details.

To assist us in the easy transferring of client information could you please complete the following questions. The information of individuals remains anonymous with each client being registered by 3 characters in their surname.

The collection of this information assist with the allocation and distribution of funds.
